PROFESSIONAL SUMMARY

Senior frontend developer with 7+ years building web and mobile products in React, Next.js, and TypeScript. Currently leading frontend delivery for Bank of Queensland internet banking under NRI ANZ. Experienced mentoring engineers, strengthening CI/CD and release quality, and shipping secure, accessible interfaces for banking, analytics, logistics, and enterprise systems. Also ships production personal products such as Archive Room (consignment POS).

SKILLS

Frontend: React, Next.js, TypeScript, JavaScript, HTML5, CSS3/SCSS, Tailwind CSS, MUI, Bootstrap

State and data visualization: Redux, Redux-Saga, Zustand, Context API, Chart.js, D3.js, React Flow

Mobile: React Native

APIs and backend: REST, GraphQL, Axios, Fetch, Spring Boot, SQL, Oracle SQL

Testing and quality: Jest, React Testing Library, Playwright, Postman, ESLint, Prettier, Accessibility

DevOps and tools: GitHub Actions, Azure DevOps, Jenkins, Docker, AWS (S3, EC2, CloudFront), Git, Figma, Jira

Delivery: Agile, mentoring, code reviews, UI/UX collaboration

EXPERIENCE

Senior Frontend Developer

NRI ANZ (Bank of Queensland) | February 2025 - Present

- Lead frontend initiatives for Bank of Queensland internet banking with a focus on security, scalability, and delivery in a regulated environment.
- Mentor and onboard developers; run code reviews that raise reliability and accessibility standards.
- Improve release flow with CI/CD changes across GitHub and Azure DevOps (Functions / Web Apps).
- Skills: Next.js, React, TypeScript, CSS/SCSS, Tailwind CSS, Azure, GitHub, Playwright, Jest, Agile

Senior Frontend Developer

Helika.io | February 2024 - November 2024

- Delivered analytics dashboards in React/Next.js with Chart.js and D3.js for data-heavy product surfaces.
- Owned frontend patterns and reviews that kept dashboard work consistent under fast iteration.
- Supported recruitment and onboarding so new engineers could ship safely sooner.
- Skills: React, Next.js, Redux, Jest, Chart.js, D3.js, AWS, Docker

Full Stack Developer

TwistResources Inc. | March 2023 - March 2024

- Modernized legacy systems with React and Next.js to improve maintainability for operations teams.
- Mentored developers through reviews and technical guidance across frontend and shared TypeScript models.
- Designed SQL-backed solutions and API integrations that kept daily workflows reliable.
- Skills: React, React Native, Next.js, TypeScript, Redux, Spring Boot, SQL, Jest, Agile

Senior Frontend/Mobile Developer

Entrego | May 2021 - March 2023

- Supervised the frontend/mobile team, balancing delivery with mentoring on React Native and React.
- Modernized the stack to cut technical debt and improve performance on logistics product surfaces.
- Facilitated Agile ceremonies so release cadence stayed predictable under growth.
- Skills: React Native, React, Redux-Saga, Next.js, Tailwind CSS, Jest, Agile

Associate Software Engineer

Accenture Inc. | October 2018 - May 2020

- Built enterprise solutions with Spring Boot and Oracle SQL for reliability-critical client systems.
- Improved database performance and application stability under strict delivery requirements.
- Delivered REST integrations and enhancements inside large-team Agile engagements.
- Skills: Java, Spring Boot, Oracle SQL, REST APIs, Agile

SELECTED PERSONAL PRODUCTS

Archive Room (POS and Inventory): Live multi-tenant consignment POS on Next.js, Prisma, and Neon; tablet checkout, audited sales/refunds/funds workflows. Live: archive-room.vercel.app

FLASHCUT: Realtime party game with Redis-backed rooms and serverless-friendly polling (about 20 players, 15 rounds).

Frontend Design System Migration: Token-driven primitives with Storybook and Vitest CI gates.

EDUCATION

Bulacan State University - Malolos, Bulacan

BS Mathematics major in Computer Science | June 2013 - June 2018
